PROFILE

UI/UX Designer & Front-End Developer with an Advanced Diploma in UI/UX Design and Front-End Development and hands-on internship experience at Meeam Technologies and Dfine Digital Solutions. Skilled in user research, user flows, wireframing, prototyping, responsive web design, and developing user-centered interfaces using Figma, HTML, CSS, Bootstrap, and basic JavaScript. Experienced in collaborating with developers to translate design concepts into intuitive, consistent, and responsive digital experiences.

PROFESSIONAL EXPERIENCE

UI/UX Designer Intern-Meeam Technologies

07/2026 - 09/2026

<https://www.meeam.com/> 🌐

Tirur, Malappuram

- Designed responsive web and mobile interfaces in Figma, including wireframes, high-fidelity UI, and interactive prototypes.
- Collaborated with developers to ensure accurate implementation and design consistency.
- Applied UX principles and design systems to enhance usability and user experience.

UI/UX Designer Intern-Dfine Digital Solutions

04/2026 - 06/2026

<https://d5ndigital.com/> 🌐

Kottakkal, Malappuram

- Created responsive UI designs, wireframes, and prototypes in Figma for client projects.
- Developed responsive web pages using HTML, CSS, and Bootstrap.
- Improved existing interfaces by applying UX best practices and usability principles.

CASE STUDIES

Hospital Queue Management & Appointment Booking App

<https://fahmida-shirin.github.io/Medi%20Queue/> 🌐

- Conducted user research and created personas, user flows, and wireframes to improve the appointment booking experience.
- Designed high-fidelity UI and interactive prototypes in Figma for digital token management and real-time queue tracking.
- Applied UX principles to create an accessible, user-friendly solution that reduced patient waiting time and improved queue visibility.
- Won First Prize for project innovation and design.

Smart Interio - Furniture E-Commerce Website

<https://fahmida-shirin.github.io/Smart-Interio/> 🌐

- Designed and developed a responsive furniture e-commerce website using Figma, HTML, CSS, Bootstrap, and JavaScript.
- Implemented a Room Builder feature, enabling users to visualize and arrange furniture before purchase for a better shopping experience.
